Power Ore increases land position by 30% in Chibougamau with acquisition of Scott Property

Power Ore Inc (CVE: PORE) CEO Stephen Stewart joined Steve Darling from Proactive Vancouver with news the company has made a major move around their current Opemiska project in Chibougamau district.

Stewart says the company has become the dominant leader in that area by acquiring the 100% royalty-free interest in the Scott property, a 2,930-hectare land package. Stewart discusses why that property is key to the company and how they plan on working on it.
