Goldseek Resources completes geophysical work on selected targets at Bonanza Property

Goldseek Resources (CSE: GSK) CEO Jonathon Deluce joined Steve Darling from Proactive to share news the company has completed IP geophysical work on selected targets of their Bonanza property. The IP surveys were performed over areas where early off-time conductor anomalies were found during a 2018 airborne survey and the third target.

Deluce talks about that work that was done and what their next steps will be on that project. He also discusses the company as a whole and what investors should expect moving forward.
