Sutcliffe brings more than 20 years' experience in global operational and financial leadership. Earlier in his career, he was a key member of a management team that grew a Fortune 150 Tier 1 automotive supplier's Asian operations ten-fold.

Prior to joining IoT Inc, Sutcliffe was the chief financial officer of a supplier to the global Tier 1 off-road market. He also has broad experience in managing organizations' information systems and a passion for continuous improvement through the application of technological solutions.

"We are very pleased to have James on-board with his strong operations experience as the company pursues acquisitions in the AI-Blockchain-IoT space," said Michael Frank, the chief executive officer of IoT Inc.
