Canamex Gold launches new silverUSA Ethereum token offering

Canamex Gold Corp (CSE:CSQ) said it had launched a new security token offering (STO) - of SILVERUSA Ethereum ERC20 tokens.

This is the first time ever that a silver-asset-backed security token, deployed on a block chain, has been offered by a North American Exchange-listed public company, it said.

The initial offering to accredited investors is for SILVERUSA tokens is at a 30% discount to the spot silver price.

The minimum subscription is for 500 SILVERUSA Tokens or US\$2,500. Each token is an interest in half an ounce of silver at the initial token price of US\$5 per token.

"Our company has seen the significant scaling potential for this innovative financing technique because of its sheer simplicity for creating win-win situations for all the stakeholders and investors involved," said David Vincent, the chief executive of Canamex.

"This innovative crypto-token royalty streaming model provides far more value, transparency, better terms and conditions and better profit margins within a SILVERUSA ecosystem (SILVERUSA) token holders, shareholders, other junior mining companies and investors) than can be offered by traditional existing models, relying on legacy funding models."
