Each unit will consist of one share and one transferable share purchase warrant, which is exercisable into one further share at a price of C\$0.075 per share for three years from closing.

LeanLife delivers high concentration levels of omega-3 as a nutritional additive. Its products are for use in commercial food processing.

The group's products are extracted from flaxseeds, a plentiful and non-animal source of omega-3.

Such products will include ingredients for making and/or fortifying commercial foods such as bread, noodles, juices, yogurt and cheese.
