Mandalay Resources looks to hit 'top end' of the raised earnings' guidance

Brad Mills, CEO of Mandalay Resources (TSE:MND), tells Proactiveinvestors that, despite lower gold and silver prices, the company is able to meet the increased earnings guidance for the full year. Brad points investors to the Q3 numbers due shortly that will show the progress that the company is making. Of the strong balance sheet, and the access that MND has to revolving credit, Brad says that this puts the company in a very strong position should any acquisition opportunities come its way.
