Duos Technologies helps lay the track for high-speed rail inspection

Duos Technologies Group (OTCQB:DUOT) is modernizing the way the rail industry completes inspections. CEO Gianni Arcaini tells Proactive Investors the technology company specializes in automated solutions for the transportation industry.

The company was recently awarded a multi-million dollar contract with the Canadian National Railway Co.

Using Duos' proprietary Railcar Inspection Portal technology, the contract includes four complete rail inspections and the use of its thermal undercarriage inspection system.
