Progressive Planet starts to sell premium glacial rock dust to improve soil

Progressive Planet (CVE:PLAN) CEO Stephen Harpur joined Steve Darling in the Vancouver studio of Proactive Investors with news the company has started selling glacial rock dust as a soil additive. You may not be aware, but that dust contains a broad spectrum of trace minerals which are often depleted from the soil through modern farming methods.

Harpur also told Proactive about the market for Zeolite and Progressive Planet is doubling down on it with the Cannabis industry.
