Full interview: Recent strength in gold price gives Capital Drilling a boost

Capital Drilling Limited's (LON:CAPD) Jamie Boyton tells Proactive London's Andrew Scott the recent upsurge in the gold price is good news for the company.

He says with roughly 90% of the company's revenues linked to gold exploration activities, the company's prospects are looking bright, particularly in view of its strategic expansion into West Africa, which has several relatively underdeveloped gold deposits.
