Mojave Jane Brands uplists US-traded shares to the OTCQB Venture Market from today

Mojave Jane Brands Inc. (CSE:JANE) (OTCMKTS:HHPHF) has announced the uplisting of its US-traded shares to the OTCQB Venture Market from today, having previously traded on the OTC Pink Open Market.

The California-based cannabis company pointed out that The OTCQB Venture Market, operated by OTC Markets Group Inc. in New York City is a step up from the Pink Market, providing investors with improved market visibility.

Gary Latham, Mojave Jane's CEO commented: "This uplisting is a recognition of our rigorous compliance standards. The benefit for the Company and its investors is that our addressable U.S. investor universe as an OTCQB listed company is significantly larger than it was on the OTC Pink Open Market.

"It enables us to engage in dialogue with a new class of U.S. investors as we continue to execute on our strategy, which we believe will benefit our visibility and liquidity. In parallel, we continue to be listed on the CSE in Canada."

Mojave Jane is emerging as a true vertical integrator in California's legal cannabis space, serving both the recreational and wellness markets.

The company's US holdings are focused on processing and manufacturing, branding, marketing and distribution.

Through ownership of high-end brands such as Caligold, partnerships with innovators such as HAI Beverages, and investments in leading distributor SpeedWeed, the company is well positioned to capitalize on the rapidly growing legal opportunity in the world's largest cannabis market.
