ROBO Global team discuss its focus on innovation and key developments in AI

ROBO Global's director of research Jeremie Capron and strategic adviser Wyatt Newman discuss the firm's focus on technology innovation and the importance of taking a longer-term view when it comes to its investments.

They also discuss what they consider to be some of the key upcoming developments in the fields of AI and robotics.

"The track record of the ROBO index and the ETFs that track it over the last six years is testament to our approach working well", Capron says.
