HC Wainwright & Co is repeating a Buy rating on CleanSpark Inc (OTCMKTS:CLSKD) based on the company's fiscal year 2019 in-line results and a positive growth outlook for 2020. Analysts Amit Dayal and Sameer Joshi, who raised significantly their price to \$18 a share from \$4, also noted the company's recent one-for-ten (1:10) reverse stock split, which was undertaken to help it comply with the Nasdaq's minimum bid-price requirements as it seeks to up-list. The analysts see revenues increasing from \$13.7 million in FY2020 to \$128.6 million in FY2025, growing at a five-year CAGR (compound annual growth rate) of 56.5%.

KinerjaPay Corp (OTCMKTS:KPAY) revealed Friday that the country's financial services authority, known as the Otoritas Jasa Keuangan (OJK) granted its newly formed Indonesian subsidiary, PT Kinerja Sukses Gemilang, a full permit to operate as a microloan-lending platform. "We are honored to have passed the certification tests and are excited to offer this lending platform to Indonesian individuals and institutions. Our company will be an active member of the platform, lending to individuals with verified employment and small businesses," said CEO Edwin Ng in a statement. Ng added that Jakarta-based KinerjaPay's access to the US lending institutions is a "big advantage."

Nemaura Medical Inc (NASDAQ:NMRD) believes it has reached its strongest position so far, given its cash position, credit line, expected revenues, and the significant potential value of its diabetes-focused offerings. In a year-end update, the Loughborough, UK-based medtech group said 2019 had been "transformative" as it achieved a number of major milestones. The group is behind sugarBEAT, a daily disposable adhesive skin-patch connected to a rechargeable transmitter, with an app displaying glucose readings every five minutes which acts as a continuous glucose monitor (CGM), and BEATdiabetes, a health subscription service. Both target the underserved US\$69 billion market for Type 2 diabetics and US\$50 billion market for pre-diabetics.

NexTech AR Solutions Corp (OTCMKTS:NEXCF) (CSE:NTAR), the tech group, has taken another big business leap, saying its augmented reality (3D/AR) solution for eCommerce can now be integrated into the giant Facebook Messenger system. The move brings the firm even deeper into the eCommerce marketplace and will mean many more customer wins, the firm told investors in a statement.

Bragg Gaming Group Inc (CVE:BRAG) (OTCMKTS:BRGGF) shares amounting to roughly three million were sold Thursday by the Legacy Eight Group Ltd, which specializes in identifying online gaming opportunities. In a statement, Legacy Eight said it disposed of ownership of an aggregate of three million shares of Bragg Gaming by way of a private agreement, which closed on Thursday at \$0.25 cents per share to net \$750,000.

LeanLife Health Inc (CSE:LLP), the Omega-3 product-focused firm, told investors it had sold some equipment it bought last year, that was surplus to requirements. The production gear was bought in spring, 2018 but after the phase 1
