GlobeX Data Ltd says investor interest high following recent Bahamas conference

GlobeX Data Ltd (CSE:SWIS) (OTCMKTS:SWISF) said it received "a lot of interest" from investors about the firm's cybersecurity platforms at a recent conference in the Bahamas.

The New York- and Toronto-based company was at the AlphaNorth 2020 Capital Conference last week in Nassau, where it conducted over a dozen one-on-one meeting with investors and advisors from Canada, the US and Europe.

"The AlphaNorth 2020 Capital Conference offered us an opportunity to tell our story to the investment community," CEO Alain Ghiai told shareholders.

"There was a lot of interest from investors and we are looking forward to follow up with them and keep them up to date with our progress as we want to make sure as many people in the financial sector know about us."

Cybersecurity is a booming industry which, according to research firm Fortune Business Insights, is expected to grow to US\$289.8 billion by 2026.

"We are here to help all individuals, businesses and government organizations in the reduction of cyber risks," Ghiai said in a statement.

"Cyber warfare and cybercrime are hitting new highs in the world, and this represents a vast opportunity for the investment community to participate in the financing of our growth."

GlobeX said it plans to conduct follow-up meetings with investors and funds in the coming months.
