## Esports betting firm Luckbox to list on the TSX Venture Exchange

Luckbox CEO Quentin Martin caught up with Proactive's Andrew Scott to discuss its plans to list on the TSX Venture Exchange. The company's a fully licensed global esports betting platform and when it begins trading it'll become only the second publicly listed company of its kind in the space. "We've been in soft launch for the last year in over 100 territories and we've just come out of that in the last few months ... we've been very lucky that we're in an industry that's been resilient to COVID-19 but is also showing some astounding growth".
