## Royal Road Minerals busy drilling in Nicaragua and Colombia with results due 'imminently'

Mining Capital's Alastair Ford says it's an optimistic outlook for Royal Road Minerals (CVE:RYY) in Nicaragua and Colombia. "The good thing about them is they've managed to keep the show on the road during the coronavirus crisis". "Things have been ticking along fairly well ... they're currently drilling a skarn project in each of those locations and are looking to confirm early indications that there could be some really interesting-looking mineralisation there".
